

## **Technology 2010**

As we enter 2010, the advances in technology have been enormous. In order to meet and exceed our client's expectations, we continue to implement current technology for our clients' benefit.

Therefore, starting January 1, 2010, we will offer person-to-person video conferencing by using multiple messenger platforms (Yahoo, Gmail, Skype, Windows Live Messenger and AIM).

For more information, please visit us online at [www.gadentalattorney.com](http://www.gadentalattorney.com), or contact us at 770-554-1400 or toll free at 1-888-0berman. We feel that our new webcam capabilities will not only benefit our in-state clients, but also our out-of-state clients.

With 2010 just around the corner, we would like to wish everyone a healthy and very prosperous new year.
